IT IS WELL WITH MY SOUL

Horatio Spafford knew something about life's unexpected challenges. He was a successful attorney and real estate investor who lost a fortune in the great Chicago fire of 1871. Around the same time, his beloved four-year-old son died of scarlet fever.

Thinking a vacation would do his family some good, he sent his wife and four daughters on a ship to England, planning to join them after he finished some pressing business at home. However, while crossing the Atlantic Ocean, the ship was involved in a terrible collision and sunk. More than 200 people lost their lives, including all four of Horatio Spafford's precious daughters. His wife, Anna, survived the tragedy. Upon arriving in England, she sent a telegram to her husband that began: "Saved alone. What shall I do?" Horatio immediately set sail for England. At one point during his voyage, the captain of the ship, aware of the tragedy that had struck the Spafford family, summoned Horatio to tell him that they were now passing over the spot where the shipwreck had occurred.

As Horatio thought about his daughters, words of comfort and hope filled his heart and mind. He wrote them down, and they have since become this well-beloved hymn.

Perhaps we cannot always say that everything is well in all aspects of our lives. There will always be storms to face, and sometimes there will be tragedies. But with faith in a loving God and with trust in His divine help, we can confidently say, "It is well, it is well with my soul."
